"Non racing classes". Members may bring and keep on site , in their allocated boat space(s), any of the following classes of boats. These classes may not participate in club racing and must have adequate buoyancy, no anti-fouling and no Motor fitted while on the water.

Drascombe Longboat  
Laurent Giles Jolly Boat  
Drascombe Scaffie

Classes that are not accepted on site.  
Any Multihulls  
Thames A Rater  
Laser Vortex

The sailing committee is happy to consider other suitable classes, and where it believes the addition of the class will enhance the overall sailing experience at NSC, will add that boat to the above list. If you wish to bring any other class of boat on site please provide details , including length of hull, sail plan and a photograph or link to an image of the boat, prior to bring the boat on site. This information should be emailed to [rcsailing@northamptonsailingclub.org](mailto:rcsailing@northamptonsailingclub.org) for consideration by the sailing committee
